## September 2016 Newsletter

### Scroll down for September Specials

The Natural Path, Ltd. has been officially open for a month and we are loving the new location. We are located at 2212 S. College Ave. across from Whole Foods.

At The Natural Path, Ltd. we are focused on helping people attain their highest level of vitality. We combine the health-building attributes of whole-food nutrition with advanced biofeedback and light technologies to reach this goal. If you are familiar with Carl's work with Laser Light Therapy from First Light, LLC and Biofeedback allergy scans from BioEnergetic Health, you will be glad to know that these modalities are still offered. In addition, lasers for self-care and use with pets are also still available.

If you haven't been to our new location, come check it out at:
